A head on view of part of the parade last Saturday for the St. Albert Field Day sponsored by the Sturgeon Heights Recreation Committee. This shows a few of the costumed children, decorated bikes, doll carriages and tricycles. A great many parents were interested enough to attend also as can be seen.

ST. ALBERT FIELD DAY

The Sturgeon Heights Recreation Committee held a very successful field day last Saturday July 6, with approximately 200 children participating.

The afternoon commenced with a parade which included decorated bikes, tricycles, doll carriages and wagons, as well as children in costume. We would liked to have given everyone a prize, as so much effort was put into these beautiful and original displays, but of course, this

is always impossible.

The children participated in races and games, but the highlight of the afternoon was the wonderful drama production put on by the Edmonton Recreation Play-ground Players, which held the children spellbound.

Special events were a peanut and candy scramble; and a lucky girl found the key to the treasure chest, which when opened, revealed a Peter Pan record.

The St. John Ambulance was represented by some of the ladies who attended the classes in St. Albert last winter. We wish to thank the following St. Albert businessmen for donations: Belley's Hardware, St. Albert Hardware, Perron's, Jolo Store, St. Albert Drugs, St. Albert Garage, Imperial Lumber, Grandin Park Businessmen's Assoc., and Safeway Stores. Donations were also received from the

Here are a few of the prize winning entries in the parade. Finner-Bell and Captain Hook in the foreground don't appear too happy, but I'm sure that when they received their prizes they cheered up.

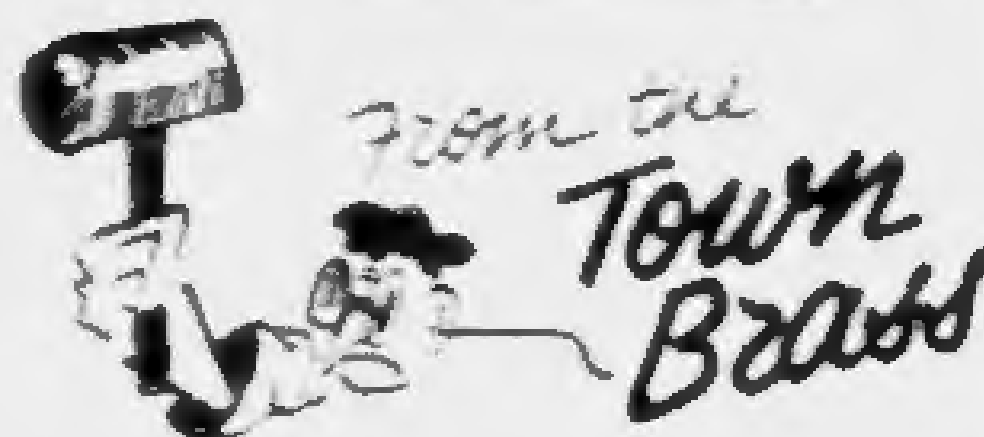

Some of the officials decided to get in on the races too. In the back are Mrs. Elkins, Bert Woodford, Doug Laugel and a fleet footed teen ager. And in the race but not the picture were Ray Ray, Town Recreation Director and Joe Ann Sturgeon Heights Committee Chairman.

and a lot and the Community League of about 100 to thank the Public and Separate School Boards for the use of their grounds, buildings and equipment and a thank to the judges Mrs. Elkins Mrs. Woodford, Mr. Bonfield and Mrs. Graham for performing their important task, and a great big special thank you.

THE PRIZE WINNERS

In 1966 Captain Hook and the Lonely Air Force Jetter winner who in full dress, on a very hot day, led the parade. On Tuesday, July 26th, there will be another general meeting open to all Sturgeons and neighbors to decide if we will have a float in the 1967 Jay Parade, and also what theme. At Town Council Meeting, 8 p.m.

Town Meeting, June 26, 1967.
This was the first Council meeting with Joe Ann Sturgeon, Senior Administrator, Mr. Ray at the chair as Secretary Treas

urer. Council treated Mr. Ray very good because for this, his first meeting, the minutes of the previous meeting was read and approved.

Recreation Council agreed to spend \$150 for equipment for the little league baseball which is organized under the supervision of the Recreation Director, Mr. Ray. A total of \$1,000 for recreation activities is in the 1967 budget, but this has to be approved by the Local Authorities Board before this money can be spent.

Special Meeting Council notes that on Thursday of this week, the Local Authorities Board will approve the Town's budget for 1967 and the Town's application for a \$660,000 loan, so that the Money Bylee can have its second and third reading. When this is done, the Town can complete all the construction projects and also finish paving the roads.

GUESS CONTEST

There was no correct answer to last week's Guess Contest. There was quite a variety of Guesses, for example, a button, a ball of wool, a door knob, and even a cookie on a sheet of paper. But

no one came even close to the correct answer which was a cufflink on a sleeve. However, don't be discouraged, try this week's Guess Contest. The prize will now be \$10.00, so send in your entry to-day.

St. Albert's new Fire Hall

No Money... No Road!

Please don't have a fire until the Local Authorities Board approves the above application.

The Public School Board, represented at the Council Meeting by their chairman George Lee, and Board Member Dave Fraser might be interested in the temporary use of a part of the Fire Hall offices. They asked Council's permission for the use of a temporary office in a residential area until their new school board office will be ready. Councillor Skrobot could not agree with this "because we've refused so many applications asking for temporary use of a house for business in a residential area and our policy is that we shouldn't give anybody permission for this". Council suggested to the representatives the temporary use of the Fire Hall office. They are waiting now

for the answer from the School Board. R.C.M.P. Report for the month of June was generally favourable.

Building Permits For the period January 1963 to the end of June 1963, 202 residential permits were issued by the town. Over the same period in 1962, 235 permits were issued.

Service Road to Paul Kane High School Council was willing to authorize the construction of a service road to the Paul Kane High School as soon as the Town's financial position is clarified by the Local Authorities Board.

Joint Use of Recreational Facilities Council approved that the Recreation Director will draft an agreement with both school boards for joint use of recreational facilities in the town of St. Albert. Such an agreement will be presented to Council for final decision.

NOTICE

Several readers have asked us what Council's position is regarding the St. Albert Curling Rink. During Council's June 24th meeting, Council decided that the Town of St. Albert will not purchase the St. Albert Curling Rink. This motion was made by Councillor Powell. Same Councillor made another motion "that in view of the Town's decision not to purchase the Curling Rink, that the Town consider negotiating with the St. Albert Curling Club for tax relief be means of consolidating all arrears of taxes, provided that approval can be obtained for such consolidation from the Minister of Municipal Affairs." Both motions were carried.

600,000 ALBERTANS ARE PROTECTED ...ARE YOU?

Nearly half the population—600,000 Albertans—are covered by M.S.I. pre-paid medical care. Why? Because M.S.I. has been developed by Alberta doctors specifically to meet the medical needs of every Albertan. Now, through the co-ordinated efforts of the Government of Alberta, the College of Physicians and Surgeons, the C.H.I.A., and M.S.I. a program has been developed which will enable individuals of below average income to obtain M.S.I. coverage. The program, the Alberta Medical Plan, provides for government subsidy to assist those persons who have no taxable income, or whose taxable income is less than \$500, to buy medical care insurance.

M.S.I. MONTHLY RATES WITH GOVERNMENT SUBSIDIES
